A Co-operative Market

575 E. 8th. Ave | The corner of 8th and College | 970.247.8129  

Attention Co-op Friends,

We are currently looking to hire a qualified produce assistant. It's an exciting opportunity to deepen your knowledge and skills in handling, prepping and displaying fresh food. Experience with produce is a plus, but not a necessity. We are happy to train the right person. Experience or passion for farming, eating well/nutrition or creative expression through display creation is helpful.

This position is 5 days per week, Friday through Tuesday and your hours will be approximately 32 hours/week.

We are a Thrive Living Wage employer: \$13.31/hr after a probationary period. Starting salary depends on experience. This is a very fulfilling and meaningful job in a Co-operative environment. We are looking to fill this position immediately. If you are interested, stop by the store for an application and ask for Crystal (Produce Manager).

Thank you for your interest!
